

Our Mission is to provide veterans with convenient and timely healthcare access and quality of care with transportation services to assist in overcoming access barriers. To increase transportation resources for all Veterans, reduce waste; provide a savings to the VAMC while conducting it in a safe, professional and compassionate manner.

Our Mission is the same! We must change how we operate to keep our veterans and staff safe.

EFFECTIVE IMMEDIATELY

Operations for Veterans Transportation Services (VTS) and the Disabled American Veterans (DAV) will be limited for transportation services. All veterans being transported to and from the facility **WILL** require a Travel Consult by the provider. Justification for transport is required for veterans who need face to face appointments or discharges. Currently we have drivers on station at the SLC VA and a driver in St. George and Idaho Falls. Pickups along the I-15 corridor can be arranged on van days for St George and Idaho Falls. All other areas (Price, Vernal, Richfield, Afton, Rock Springs, Logan, Elko, and Ely) will require a minimum of a one-week notice to plan to get the veteran to the facility. The Volunteer Driving staff cannot operate till we are in Phase 3. The veteran will be required to have a minimum stay of 3 days in SLC. Social distancing and masks are required during transportation.
